Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Zhu called 11/4/03 regarding the advisory action and in particular the new matter by omission. KCC agreed to discuss this with BPS G. Elliott. Upon review of the case today, GE said that since the EST sequences were not claimed, the elimination of reference to them did not appear to provide a basis for new matter by omission. Thus, KCC returned Zhu's call to tell her that the issue of new matter has been resolved and a supplemental advisory action would be issued. Zhu noted that an RCE will be filed on Wed. in this application and that a supplemental advisory action was not necessary and requested only an interview summary.
